Block 3 indicates it is for GSA use only… I can check it, but wanted to make sure.

Block 7, I will add the language.

Block 13D is intentionally blank per the form's instructions. We have no year money.

Josh,

Thank you for submitting the RWA. There are some few comments as follows:

1. Block 3 - Please check Non-Severable
2. Block 7 - Please add at the end of your narrative scope "SOW is incorporated by reference"
3. Block 13D - Fill in information

Please make the correction, and email it back to me.

Thanks
